# ONE East Asia Spotlight: Caring Company Recognition 2021/2024

We are proud to announce that Ocean Network Express (East Asia) Limited has been awarded the Caring Company recognition for the fourth year running.

Launched by The Hong Kong Council of Social Service (HKCSS) in 2002, the *Caring Company Scheme* aims to foster strategic partnerships for the promotion of good corporate citizenship and a more inclusive society, through delivery of impactful cross-sector community projects.

This year, ONE East Asia is honoured to receive a joint nomination from HandsOn Hong Kong Limited, as well as Make-A-Wish Foundation of Hong Kong Limited – a true testament to the great support network and mutual trust fostered over the years of close partnership.

*Read on for activity highlights and hear more from our partners!*

**Activity:** HandsOn Hong Kong's Food Waste Reduction and Carepack Delivery

*"Hong Kong's non-profits are a lifeline for people in need in our city, but they cannot carry out their vital work alone. Ocean Network Express (East Asia) Ltd. is an incredible partner to HandsOn Hong Kong and our less-resourced non-profit partners, providing unwavering, year-on-year support since 2020. Last year their caring volunteers delivered critical food assistance, warmth and compassion to isolated elderly and low-income families across Hong Kong. ONE East Asia embraces all that it takes to extend meaningful support by both funding food care packs and providing the helping hands to deliver them. We are proud to be their partner in the Hong Kong community!" – Ms. Catherine Dannaoui (Executive Director, HandsOn Hong Kong)*

# ONE East Asia Spotlight: Caring Company Award Winner 2024

**Activity:** Make-a-Wish Hong Kong's Flag Day

*"Over the years, ONE East Asia and its team have been incredibly supportive, providing not only financial assistance but also volunteering their time. They value every opportunity to raise awareness about mental support for child patients and their families, both internally and to the public. With the support of dedicated social responsibility partners like ONE East Asia, Make-A-Wish Hong Kong will continue to grant life-changing wishes for children with critical illnesses!" – Ms. Michelle Ma (Partnership Development Manager, Make-A-Wish Hong Kong)*
